

The image shows the Azalea Estates logo on the left, which includes the text 'AZALEA ESTATES' in a large, green, serif font, with 'ASSISTED LIVING AND RETIREMENT COMMUNITY' in a smaller, green, sans-serif font below it, flanked by decorative green leaves. To the right of the logo is a photograph of a large, two-story building with a prominent white portico supported by columns and a small tower with a balcony on the roof. The building is surrounded by green trees and a paved driveway.

### **Letter from the Director, Holly Woods**

With spring's arrival, many families begin exploring senior care options for their aging loved ones. With warmer weather and longer days, this season presents an ideal opportunity to explore assisted living communities and make informed decisions about future care. It is the perfect time for families to explore senior living communities for their loved ones before the summer travel and holiday season is upon us.

Azalea Estates of Fayetteville is home to our residents who daily get to enjoy springtime weather. Our front porch invites our residents to sit, sip lemonade, and enjoy conversations with each other. We have walking paths, raised garden beds, and beautiful courtyards to enjoy.

Wishing you a beautiful spring,

**Holly Woods**

*Executive Director*

Azalea Estates

### **Spring Cleaning Tips for Older Adults: Making A House Safe for Aging Loved Ones**

*For caregivers and other relatives of adults who are aging at home, spring cleaning is a way to create a safe space, re-evaluate the living situation after a long winter spent mostly indoors, and make sure that the coming months are as happy and healthy as possible. Here are some spring cleaning tips for older adults that go beyond dusting and vacuuming.*

## Spring Cleaning & Safety Tips

# Making A House Safe for Aging Loved Ones

Work together as a team. Get everyone involved!

Maintain clean walkways in every hall and to every door, and eliminate tripping hazards.

Clean and organize the medicine cabinet.

Check smoke and carbon monoxide detectors.

Replace light bulbs.

## Spring Is In The Air

At Azalea Estates, our residents are already planning the garden in our backyard. We have a local Boy Scout Troop coming the first of April to clear out the raised flower beds and fill with soil. Many residents will spend time everyday in the gardens for all to enjoy.
